Annual Plan – it will be essential to respect and recognize the needs of each individual resident. To that end, NRHA will undertake this effort in adherence with the following guiding principles:

- Community redevelopment decisions shall be **family-focused** and family priorities will be paramount in service delivery and relocation decisions;
- **Honoring the housing choices** of families affected by the redevelopment of their communities shall be the highest priority;
- Collaborative partnerships shall be pursued to implement a **human development plan** that will include high quality supportive services in the areas of employment, education, public safety, housing services and health;
- Economic development benefits can mitigate costs but **not outweigh** family-focused decision making;
- Revitalization strategies shall strive to have **positive impacts on surrounding neighborhoods**; and
- Decision making will reflect **continuous input, transparency** and feedback from residents and all other stakeholders.
